
TEMPEST Fiber Extender

SDIP-27 Level A / B and Zone 1 and/or MIL-STD-810 / MIL-STD-461

For mission-critical application, and for rapid employment of secure networks and in combination with our optical Switch, we have developed a complete range of TEMPEST and/or Rugged Media-Converter and Fiber-Extender.

The following modules are available:

USB 2.0/3.0	to Fiber
Serial	to Fiber
Parallel	to Fiber
Ethernet	to Fiber
HDMI	to Fiber
VGA	to Fiber
DVI	to Fiber
DisplayPort	to Fiber
